Instructions

The Green/White and White versions of the logo are designed to be used on “F2 Dark” (or Black) background only.

The White version is for use on suitably contrasting backgrounds/dark photographs.

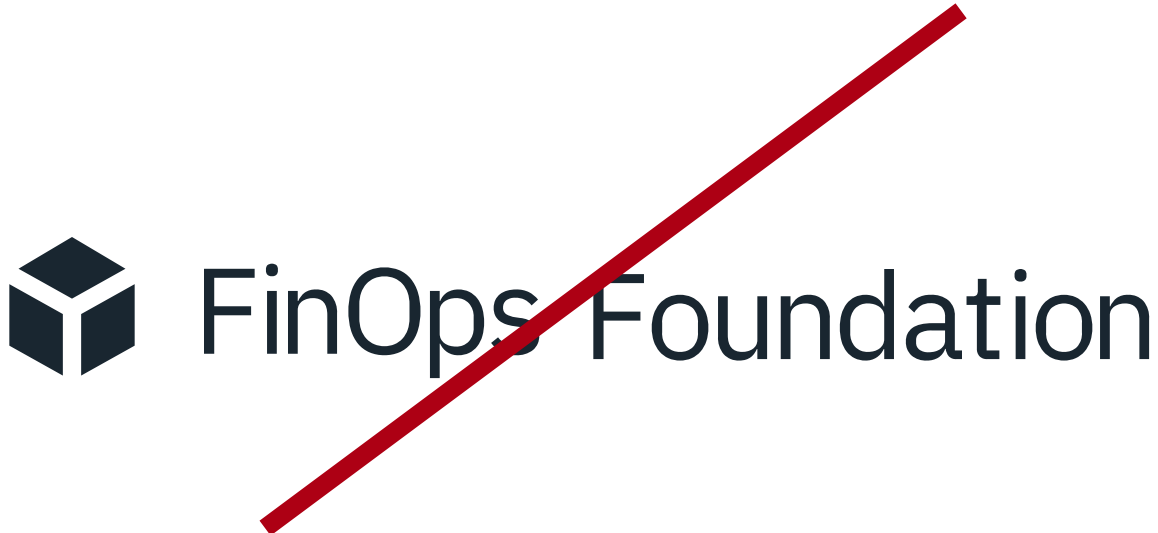

The Black logo will rarely be used and will be used for certain technical reasons only.

Do Not Alter the Logo Files in Any Way

Do not recolor the logo.

Do not recompose the logo.

Do not rotate, skew or add effects to the logo.
